Achieve More

Our specialists will support you in achieving maximum cost savings in some of your largest operating expenses.

Our focused bid management services offer an unbiased approach to the RFP process.

- We begin each bid with a complete understanding of existing contract conditions, specifications, labor, and service costs.
- Our experience in local markets, coupled with our knowledge of contractor capabilities, pricing models and union requirements, allows us to develop an effective bid strategy that will deliver optimal results.
- We will revise and update your program specifications and develop a comprehensive RFP for distribution to your chosen bid participants. You choose the bidders, however we can recommend or qualify local service providers at your request.
- We will provide your team with a comprehensive bid analysis including contractor reference verifications, capabilities comparison, pricing comparison and financial overview.
